BMS Performing Arts Department

Spring Trip

May 2 - 5, 2018

Dear Parents:

We would like to take this opportunity to give you a few details about the Performing Arts Department's annual Spring Trip. This information will give you insight about the time frame, fundraising opportunities, behavioral, attendance, and grading policies for this trip. More details will be provided as the departure date approaches. We especially want to stress the fundraising opportunities for your eighth grade student. We have had numerous students, in years past, who have raised enough monies to supplement a large portion of the cost. **The non-refundable initial deposit of \$200.00 is required in order to guarantee the cost per student, and is required by the tour company.** In the unlikely event that the trip is canceled by the school, the deposit will be refunded. Students will have the opportunity to use a portion of the profit from the Fall Fine Arts Fundraiser in the Fall towards their payment. We offer this incentive so that all students who have shown dedication to the program will have an opportunity to take part in what has become an eighth grade tradition.

We plan to participate in a Universal Studios Performing Arts sponsored event at Universal Studios in Orlando, FL. The estimated cost is \$650. This package cost covers hotel accommodations with private night security, meals, charter buses, a performance opportunity or educational workshop, and admission to to Universal Studios, Islands of Adventure, and the Wizarding World of Harry Potter. Payments will be spread out into three increments within a five month period. The payments are as follows:

October 2nd - \$200 (non-refundable deposit)

November 1st - \$150

February 1st - \$150

March 1st - \$150 (payment may change slightly if the estimated cost changes)

***Upon receipt of this signed document AND the initial \$200 NON-REFUNDABLE deposit, your student will be added to the Orlando 2018 roster. Although this signed document is mandatory for trip participation it is the deposit that reserves your child's place on the trip.

We realize that this might be the first time your child has traveled away from your family. There will be an adult assigned to your student and our rules, guidelines, and check-in points will be established to ensure the accountability and safety of each student. Although these chaperones are in close contact with the students that they are assigned, students are permitted to spend time in the parks in small groups without constant direct supervision. Please realize that students attending the trip represent themselves, their families, their music programs, and Barber Middle School as a whole. Our trips have always been a great success due to the compliance of all classroom, school, and trip rules.

Below we have provided the Behavioral, Concert/Event Attendance, and Grading Policies that are used to determine a student's eligibility. Please read them carefully and initial by each to accept agreement. Only fully initialed contracts will be accepted. Providing your initials next to each section ensures that both parents and directors are on the same page in regards to these policies which are put forth to ensure the safety and eligibility of each child.

NOTE** If a student is removed from the trip for any reason, the family will be refunded the entire amount paid minus the deposit; however, if the school has already made the purchase of the park tickets, the student will receive the park ticket and the meal vouchers as a refund in lieu of money. This purchase usually happens in the spring and the directors will notify the parent if it is a money refund (minus the deposit) or a park ticket/meal vouchers refund.

Failure to submit the initial deposit to secure a students' place on the trip by the above date will be interpreted by the directors that a student is no longer attending the trip. Our department is excited and looking forward to our upcoming trip to Orlando. Again, more information and details will be coming home the closer we get to the trip date. If you have any questions, feel free to contact Mr. Burroughs at mark.burroughs@cobbk12.org.

****The actual dates and the itinerary of the trip may change slightly as we get closer. Parents will be notified of any changes.

Concert/Event/Rehearsal Attendance Policy

The band, chorus, orchestra, and dance are performing ensembles, and as such, regular attendance at rehearsals, clinics, and concerts is a necessity to ensure a quality, rewarding performing experience. The invitation to participate in the performances or clinics at Universal Studios is a privilege and is considered a reward for the students' continued commitment to the Barber Middle School Performing Arts Programs. Students are expected to attend all extra-curricular rehearsals, clinics, symphonic camps, community performances, and concerts throughout the year. Please refer to your student's performing ensemble handbook for concerts, events, and extra rehearsals that have been scheduled for the year. Mandatory before and after school rehearsals will be held so that the group of students who are attending the trip may rehearse together. These dates will be scheduled after student contracts have been received. Failure to participate in the above performances will result in your student losing trip eligibility.

BMS Performing Arts Grade Policy

In addition to behavior and attendance, it is very important that your student be proficient in the standards being taught daily in our classrooms. Universal Studios only accepts groups of the highest quality. Should a student not maintain a "B" (80 % or higher) average in any of their performing classes, the student will not be allowed to attend the trip. Progress reports are sent home every quarter and grades are updated frequently (and can be viewed using SYNERGY). Should you have a concern or question about your student's grade, please make it a priority to contact your child's director so that we can provide insight and assistance before the grade posts.

* If you are interested in chaperoning the Orlando trip, please check the box and sign below. Because chaperoning a trip of this magnitude requires a lot of work, our department will pay a portion of the cost of the trip for all chaperones. This amount cannot be determined until the student participation number has been finalized. Please note that chaperones will be required to ride the bus as well as stay in the same hotel with our group. Keep in mind that all chaperones will be randomly selected based on the number of students attending the trip. Indicating your interest does not guarantee a chaperone position.

YES! I would like to be considered for a trip chaperone this year!
